

Hi Jess, I came across your ad for sheep doodles. I was wondering if either Spencer Merle or Sedrick Apricot puppies were available? Not sure if they are boy/girl. My husband and I are looking to add a fur baby to our family and I am hoping if these pups are spoken for, maybe you will have future litters in later of 2021 or early 2022.

Thanks

2w

Hey, [REDACTED]! Neither of those ones are sold that you mentioned. Those are both boys, but if your interested in girls we have a couple also that I could send pictures of, if your interested. They are from the same litter. But I'm sure there will be future litters also if you aren't ready for a puppy now.

1w

I am looking for a girl, I would love pictures:) My husband wants to wait but we are open to any time as long as its the right dog 🐶

Thanks

1w

Here are a couple pictures. I only have a couple somewhat recent individual pictures so I'll send what I have.

Omg I love love Sophie is her price 1500 or the same price as sedrick ? Can we meet Sophie and then give a deposit in person and then give the full amount when we pick her up? Or can we meet Sophie and give you the full amount and take her home in 1 vist vs 2 Not sure how you like to do this process. Also if you have a website or social media page I would love to look! Thanks  Sent from my Galaxy

1w

Yes, she is cute! She is 1800 like Sedrick. You can come and pay for her and take her home in one trip as she is ready to go home any time now. Feel free to check out our Facebook page and the website is Country

Air
Sheepadoodles.

1w

Ok thats fantastic We would love to add her to our family. We are able to come pick her up Sunday sept 12. I hope that's okay. We can come up in the morning. If not we could do Sat Sept 11 but would prefer Sunday if it is a possibility.

1w

Sorry, Sunday doesn't suit.
Yes, we could hold her till S.11 but we would like deposit.

1w

Ok no problem. Do you have a contract for her ?
Thanks

1w

There is a contract on the website that you can download and fill out. The website is Country Air Sheepadoodles.

1w

1w

Yes, that would be great!

My husband got back to me. We are happy to come up Sept 11 say around 1030-11am If thats okay with you.
Sophie is such a pretty girl, could you tell me about her personality, what food she is on and anything she likes ?
I looked on your website and unfortunately didn't see a contract. I saw the health gaurentee but that was it. Could you please email it to me My email is [REDACTED]
Thank you !

1w

Hi, I guess I haven't got back to you yet! Sophie seems to be a bit more on the calm, shy, and quiet side, making awesome pets, but you might have to see what you think when you come see them in person! The health guarantee is the contract. Puppies are fed Royal Canin Puppy Food. I'll send a couple pictures...

1w

Hi! Haha no you didn't. I was hoping you would soon, glad to hear from you. Aww well she will fit in with the family! I would love some photos of her

1w

Did you get the pictures I sent? You might have to check your emails if you haven't already.

1w

Oops I didn't think to check my email so I didn't get a contract for Sophie yet. I looked on your website but no luck. Can you send me it ?

1w

Did you get the health guarantee(contract)?

1w

I saw it but wasn't sure how to print it. Do I just save it as a picture or is there a file ?
Can you confirm that Saturday sept 11th between 1030 and 1100am to come see her and take her home ?

1w

I believe there should be a file... 😊 Yes, September 11 that time should work
fine. Just a reminder that we haven't yet received a deposit to reserve
Sophie. There have been many people interested in her!

1w

Can I get a number to contact you I tried the one on the website but no pick up or reply to my text. The voice-mail says a man's name.

1w

1w

Yes, that's Jonathan's number. Hopefully you can get in contact soon...

1w

Perfect I printed it off. I tried calling him but no luck. Are you his wife or do you work with him?

1w

Right on! That's great! I'm just working with him. I told him that

your
trying to get a hold of him, but he's probably busy, and will get in
touch
with you soon!

1w

Okay I just had a couple questions for him. Once I talk to him I
will send him the deposit right after 🙏

1w

My number is . please forward it to Jonathan

1w

Hey, no problem! Just remembered he has people coming to
look at puppies
right around now so you might have to wait a bit!

1w

100% committed to Sophie ❤️❤️

1w

1w

1w

1w

Hi Jess! I sent Johnathan the deposit and he confirmed she is reserved. thanks so much for your help!!! we are so excited

1w

No problem! My pleasure! Will be so happy for Sophie to have a good home!

1w

I forgot to ask. What kind of brush does she need ?

1w

A brush with steel balls at the end works great!

1w

Great thanks

1w

Hi Jess! Do you have an updated photos of Sophie? We are excited to pick her up but was wondering I was hoping one of her

playing or something. Also when we pick her up will we see her mom ?

4d

Also is she a f1b or f1 ?

4d

I cant remember

4d

Hi, Sophie is F1b. Both parents will be on sight on puppy pickup day. You were also wondering about some pictures... I'm sorry, but I don't have any recent pictures. You will be able to pick her up before you know it, and then you will be able to see her in real life! Much better than any picture would do!

4d

Ok I thought she was f1b. Ahhh I know, I'm just so darn excited. Don't mean to bother you so much haha but just thought I would ask. She is roughly 12 weeks correct ? Sophie has a curly coat but I was wondering if it was a tighter

curl or fluffier I am assuming because shes more poodle than sheepdog its a tighter curl ?

4d

One last question, the address is 181 Whitechurch St. in lucknow is there any specific instructions on where to go once i am in the area?

4d

She is almost 9 weeks old,I believe. I would say she has a bit of a looser curl, but you can definitely see the curls. Yes, that is the correct address. Feel free to message Jonathan for instruction details as he might know better than I do!

4d

Oh! I thought her birthday was June 15 thats why I estimated 12 weeks. When was she born ?

Ok great I will message him 😊

Read 4d

She was born July 7th. We found that kijiji often changes the date of birth.

4d

Oh really? Thats my daughter birthday 😊😁

4d

Right on!

4d

Hi jess, I didn't hear back from Jonathan in regards to location specifics. Can you tell me if there is a sign or something that will help me determine if I am at the right spot ?

2d

Well, there isn't a sign, but it is a farm with a pasture on the one side of the lane. It is right next to a church/school. Coming through Whitechurch it will be the first farm on the left. The fire number is 181.
Call him if you have any trouble finding it!

1d

Thanks Jess, what vet does Jonathan use for the puppies vaccinations and such I tried to call him and ask but no luck in getting ahold of him

1d

I've talked with Jon and he said he would refund me but suddenly didn't have my 500. I am severely disappointed in my first puppy experience. I backed out because he has a few customers with very sick puppies and I cannot bring that into my home with 2 young children.
He balled his eyes out and hung up on me

20h

I'm sorry! He tries very hard but some people don't understand.
We wish you
all the best.

9h

Excuse me He owes me \$500. He paid another customer what he owe i deserve the same.
